

2025 Labor Law Update

VIRTUAL TRAINING

Critical labor law changes in 2025 don't have to be a hassle for employers. Join our interactive webinar to ensure your business stays on track with:

- New minimum wages and exempt salaries;
- New law regarding wage-and-hour supervisor trainings and audits;
- Leaves of absence developments;
- New Workplace Violence and Heat Illness Prevention Plan obligations;
- Criminal history restrictions and related updates;
- Industry-specific rules, including new health care minimum wages.

Our HR experts will guide you through practical next steps and answer your pressing questions. Don't miss this essential training - join us to stay informed and prepared!
